MEMORANDUM FOR: Associate Deputy Director for Administration

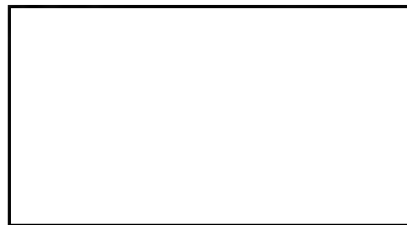

SUBJECT: Department of Justice Investigation Into CIA's  
Discovery [REDACTED]

25X1C

1. In connection with the subject investigation, [REDACTED] of  
the FBI has requested that the Agency provide the finger and palm prints  
on the following individuals:

2. If the Agency already has the requested prints it would seem  
preferable to provide them pursuant to the FBI's request. The alternative  
would be for the Bureau to come to Headquarters to do the prints themselves.  
This is a situation that we may wish to avoid.
